Get a sneak peak at the new ACBL website

The ACBL is excited to unveil its new Internet look. The site is not live just yet, but you're invited to come in for a preview, look around and tell us what you think.

With the members' informational needs and Internet experience foremost in mind, acbl.org has been redesigned and reorganized.

A modern look and function features standard navigation on the top and bottom of

the pages. Each topic is further divided using side menus. "Breadcrumb" navigation enables users to keep track of where they are and where they've been without relying on the back arrow.

Helpful Documents and Important Links pages have also been added to get you to the information you need faster.

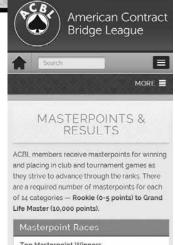

The new website is mobile friendly. It is built to display on any device, and scrolls to provide the same functionality as a PC or Mac. The menus expand to maximize space, and the updated, mobile-specific design makes content easy to read. You'll be able to access the latest bridge news and Daily

Bulletin articles directly from your phone.

Take a minute to test-drive the new site. Visit acbl.org and click on "Exclusive Sneak Preview" on the right side of the page.

This is not the end of our new web experience, but just the beginning!

It's all true: Claude is for real

In July 2006, Claude Vogel became a lot more famous than he ever thought he might, and the big change in his life was not of his doing. What happened was the debut of George's World, one of the ACBL Bridge Bulletin's most well-read columns.

On the cover of the July 2006 magazine, caricatures of column author George Jacobs and Vogel were seen running through an airport. The headline read: "George's World – It's all true." Since Jacobs started the monthly column, Vogel and his idiosyncrasies have been featured dozens of times.

"Most of what he writes is true," acknowledges Vogel, a former math professor and longtime partner of Jacobs. They came to Dallas to represent District 13 in the Baldwin North American Pairs, Flight A. They were in contention early but fell to sixth.

The curious thing about the Vogel-Jacobs relationship is that many readers of the Bridge Bulletin have long assumed that Vogel is a fictional creation meant to add humor to his column.

Jacobs recalls playing with Vogel in a North American Pairs qualifier about five years ago. As they moved from table to table, players told Jacobs how much they like his column. Some of them asked, "Is Claude a real person?"

Pointing to his partner, Jacobs said, "Why don't you ask him?"

Vogel doesn't mind the stories, many of which have highlighted his famous coat with its unusual contents. "It's all good fun," he says. Jacobs's lighthearted jabs don't bother him, Vogel adds. "Most of the time," he says, "I don't read it."

Jacobs laughs at that statement by his good friend: "He reads every single word."

Vogel has lived all of his life in Chicago, studying math at the Illinois Institute of Technology and earning a master's degree in the subject from the University of Illinois.

It was during his grad school days, about 1964, that bridge entered his life. In the dorm at Illinois he observed some classmates playing. "I found it exciting," he says, "and I knew I could learn it."

His game improved after he bought books by Alfred Sheinwold, Howard Schenken and Fred Karpin and he became a regular winner at club

Cohen, Katz on top in Kay Platinum Pairs

Billy Cohen and Ralph Katz are in the lead after two qualifying sessions of the Kay Platinum Pairs. Their carryover of 54 matchpoints has them 8.56 points ahead of a pair from China – Yichao Chen and Junjie Hu. Top today is 27.

Third place belongs to Brian Platnick and John Diamond. They are followed by Zia Mahmood and Steve Garner, with Mitch Dunitz and Jill Meyers in fifth.

Cohen, Sherman Oaks CA, and Katz, Burr Ridge IL, scored 57.08% in the first session on Friday and followed with a 62.70% game. The event concludes on Sunday.

Canadians leading Lebhar IMP Pairs

Jadwiga Polujan and June Pocock have a slim lead going into today's two final sessions of the Lebhar IMP Pairs. Polujan is from Calgary AB, Pocock from New Westminster BC. Their carryover score of 25.80 IMPs is just ahead of the 24.97 posted by two New Yorkers – Scott Levine and Aaron Silverstein.

Not far behind in third place are Allan Siebert, Little Rock AR, and Don Caton, Pensacola FL.

Cymerman squad leading 0-10,000 Swiss Teams

The team captained by Frank Cymerman enters today's play in the 0-10,000 Swiss Teams with a carryover of 30 victory points, 2.25 over the second-place squad with two final sessions to play.

Cymerman, of Pittsburgh PA, is playing with Warren Oberfield, also of Pittsburgh, and Jan Assini, Aurora OH, and Bernard Fudor of Murraysville PA. In second place is the team led by Hal Hindman of Vienna VA.

No team may include a player with more than 10,000 masterpoints. The event pays 10% platinum masterpoints, up to 10, for overall placings.

JUST FOR NEW PLAYERS

Director, please! By Brent Manley

This is a classic story. A woman played a normal contract and took all the tricks. During the play, declarer noticed that one of the opponents had failed to follow suit. Seizing what she thought was an opportunity, she loudly called for the director.

When the director discovered that the opponents had won neither the revoke trick nor any subsequent tricks and told her the ruling, the woman became cross. She was not mollified when the director told her the laws do not provide for a 14th trick on any bridge deal.

"Well," declarer huffed, "if I had known that I would have played it differently."

To many new players, the Laws of Duplicate Bridge seem arcane in the extreme, and some wrongly believe that the laws are meant to exact punishment for mistakes.

In truth,

the laws are meant to restore equity when an irregularity occurs. Some requirements of the laws might seem punitive – particularly where an established revoke is concerned – but punishment is not the primary purpose of the laws.

You may wonder what "restore equity" means. Here is the classic case. Suppose you are in 3NT with ♣A K Q 7 6 in dummy and no outside entries. You win the opening lead then play a club to the ace and cash the king. When you try the queen, your right-hand opponent discards. You needed all five club tricks to make your contract, so you are down.

You discover at the end of the play that RHO revoked (he had three clubs to the jack). In most cases, if the offender did not win the trick on which he revoked but the offending side later won a trick or tricks, the offenders must return one trick to declarer's side. In this case, however, that would still leave declarer short of nine tricks. The ruling in such a case would be to restore to declarer the number of tricks he would have taken without the revoke.

Now that we have had this little discussion, it's time to introduce you to a really important principle.:

Whenever there is an irregularity at the table, call the director.
DO NOT make your own rulings.

You may occasionally find yourself at the table with a self-appointed laws expert who "knows" what to do if someone leads out of turn, makes an insufficient bid or perpetrates any of a myriad of other irregularities.

A veteran TD I spoke to about this said directors are not sympathetic when players make their own rulings, get it wrong and then want the umpires, so to speak, to fix it.

Consider the lead out of turn. Do you

know the options available to declarer when the wrong opponent makes the opening lead face up?

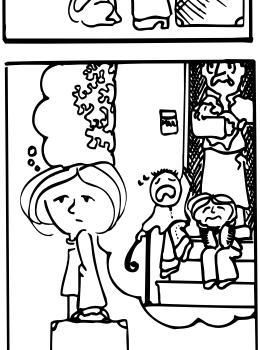

While you think about that, here are some more questions.

Do you know the difference between a minor penalty card and a major penalty card?

Well, the directors do, and they can tell you all your options when an opponent has a penalty card on the table.

How about an insufficient bid? Did you know that if your partner opens 1♦ and your right-hand opponent bids 1♣ you can accept the insufficient bid and give partner a raise to 1♦? You could save

WELL KITTY- I'M
OFF TO ANOTHER
BRIDGE TOURNAMENTWISH ME
LUCK...

space and show a limit raise or better in diamonds by accepting the 1♣ bid and bidding 2♣ instead of the 3♣ required over a sufficient bid.

Okay, here are the options when RHO leads out of turn: You may accept the lead and see dummy before you play; you may accept the lead and put your hand down as dummy, or you may refuse the lead and require or forbid the lead of the suit led out of turn.

That's a long list to remember. Here's a to-do list with one item: When there is an irregularity, *call the director*:

Thinking bridge By Eddie Kantar

Opening lead: ◆2. Dummy plays the ◆K. Plan your defense.

Partner has the \bullet J. If declarer had it, he would have played *low* from dummy hoping your partner has the queen as the lead from an ace at trick one is rare.

Your play is to return a low diamond at trick two and get the expected spade shift. If partner has a trump trick or the ♣A, the spade shift will sink his ship.

Declarer erred at trick one. He should play low from dummy, allowing East to win two diamond tricks without subjecting himself to an unwanted spade shift at trick three.

To repeat: When third hand sees 10 cards in a side suit (clubs) between his hand and dummy and the suit is not led, the presumption is that partner has a doubleton (or three) and declarer has a singleton or void. With a singleton, partner might have led the suit.

Scott Campbell, a past recipient of the "Fred Friendly" award given to tournament directors, greets Intermediate/Newcomer players.

King/Queen of Bridge

If you are a graduating high school senior and an ACBL member who plays and promotes bridge, you may become the 2014 King/Queen of Bridge. Recent winners have been cited for outstanding tournament performances plus administrative and recreational activities related to bridge. The ACBL Educational Foundation will present a \$1000 scholarship to the King/Queen of Bridge.

This competition was established in 1973 by Homer Shoop, an Indiana banker, and is administered today by the ACBL Educational Foundation. A list of previous winners reads like a who's who of bridge: Jeff Meckstroth, Bobby Levin, Steve Weinstein, Joel Wooldridge, Martha (Benson) Katz, Eric Greco, Gavin Wolpert and John Kranyak.

To enter the contest, email your name, ACBL number and letter addressing why you should be chosen as the next King/Queen of Bridge to education@acbl.org by May 30, 2014.

Slow Play

Slow play, as opposed to careful or thoughtful play, is discourteous to your opponents -- and to all other competitors as well. Players and pairs who take more than their allotted time are subject to penalty.

In general, pairs who are rarely late will be warned while pairs who are habitually tardy and/or pay no attention to time limits will be penalized.

Graduates of the 2014 Spring NABC Teacher Accreditation Program: (seated) Beth Loehnen, Missoula MT; Valarie Remmers, Plano TX; Tanna Brock, Steamboat Springs CO; Wang Wei, Shanghai, China; Gayle Moyers, Austin TX; (standing) Betty Starzec, TAP trainer, Houston TX; Jesse Crane, St. Paul, MN; Jack Jordan, Red Oak TX; Jack Schober, Dallas TX; Sherry McColgin, Jackson MS; Jan Mogged, Colleyville TX.

The definition of a Senior (for the purpose of Senior events, tournaments, special games, etc.) has matured — from 55 to 60 years old. Those 'tweeners who previously qualified as a Senior and who have been magically rejuvenated are still eligible. If you were born before January 1, 1959, you're still a Senior for the purposes of playing in any ACBL Senior event.

Decisions

In a regional knockout teams, Peter Rank picked up this modest hand

- **★**32
- **♥** A 5
- ♦ K Q 7 6 2
- **♣** 6 5 3 2

Rank heard his partner open 1♠, to which he responded 1NT. Partner's next bid was 6♥! Before you learn what Rank bid, decide what you would do with that collection. While you're thinking, try this play problem.

Rank, South, was playing with Wallace Goldbun of Palm Springs CA.

♣ K 8

| West | North | East | South |
|------|---------|----------|----------------|
| | Goldbun | | Rank |
| | | | 1 ♣ (1) |
| 3♠ | 4♣ | 4♠ | 5♣ |
| Pass | 6♣ | All Pass | |

(1) Strong, articial and forcing (Precision).

West led the ♠K, switching to a trump at trick two. Rank thought things over before playing to trick two. He could win in dummy and try to set up diamonds, but a 3-3 split in that suit is against the odds, and on the bidding it seemed likely there was a bad break in at least one of the side suits.

Accordingly, Rank won the trump switch in hand, pulled trumps, then played the two high diamonds from his hand – noting that West discarded on the second diamond, then ruffed a diamond in dummy and ran trumps. This was the full deal:

♦ 5

★ K 8 2
★ 8 3
★ A Q J 7 6 5 3
★ K Q J 9 8 7 2
★ 4
★ Q J 10 7 2
★ 4
★ A J 10 6 5
★ A K 9 6 5
★ K 8

East, forced to make four discards on the second through sixth rounds of clubs, was in a pickle. A diamond discard would allow Rank to establish his 12th trick by ruffing a diamond, and he could get to it with the \(\nabla A\). So East had to pitch a heart.

Now Rank had a count on the deal: East started with four spades, five diamonds, one club and therefore three hearts. When East pitched a heart, Rank could play the ♥K and a heart from dummy, confident that the ♥Q was falling on his right or left. Plus 1370 was a 16-IMP gain because at the other table, South opened 1♥ and landed in 6♥. Unable to get the same count that Rank did, South played the percentages and took the heart finesse into West. When it failed, he was down one.

So, what did you bid with the hand first displayed? Rank interpreted the 6 \blacktriangledown bid the way most people would view partner's opening bid of five of a major. It's rare, but it requires the partner of the 5 \blacktriangledown or 5 \spadesuit bidder to pass with neither the ace nor king of the suit that was opened, bid six with one of the two and bid seven with both.

Rank therefore upped the bidding one level to 7♥, which was the correct bid because his partner held:

- **♠**A K Q J 10 7 4 ♥K Q J 10 6 5
 - **♦** ---

games in Chicago. His first tournament was the 1965 Summer NABC in Chicago. At the time, there were minimum masterpoint requirements for some events. Vogel didn't have enough MPs, but he entered the event now known as the von Zedtwitz Life Master Pairs anyway, finishing in the top 10. Despite the success, he was declared ineligible for the masterpoint awards.

"I always wanted to play against the best," he says.

Vogel taught math at Central YMCA Community College in Chicago for 17 years before it closed. He has been playing bridge for the most part since.

He met Jacobs at a bridge club in Chicago about 35 years ago. They became a regular partnership and hit the tournament trail for a while, achieving great success and building up memories that have made it into Jacobs's Bridge Bulletin column.

One of them involved Vogel's purchase of airplane tickets to Cincinnati for a tournament that was actually in Cleveland. "I knew the city started with a C," he says.

"Claude is easily the funniest person I've ever met," says Jacobs. "He has a great sense of humor and makes you laugh. I love the guy."

At the same time, Jacobs adds, "Claude is a real serious student of the game. He loves bridge more than anyone I've ever met."

Jacobs says he was disappointed that he and Vogel weren't able to sustain their early success in the NAP earlier this week. "I would have given anything to win with Claude," he says. "It would have been very special."

Jacobs had a scare last summer when Vogel suffered a massive infection caused by a kidney stone. He spent five days in a coma and was on antibiotics for weeks after leaving the hospital. Jacobs wrote about his friend in the column but in an uncharacteristically serious tone.

Fortunately, the episode ended well and Vogel is feeling fine, drinking lots of water to fend off potential future kidney stones.

When it was clear Vogel was over his health issues, Jacobs wrote fondly of his friend. "He grows on you," Jacobs said. "He's just Claude."

Playing in an NABC+ pairs game? Buy your entry early!

In an effort to speed up the start of all NABC+ pairs events – which require additional time for proper seeding – the ACBL asks participants to please buy their entries at least 15 minutes before game time. This is especially true if you expect

to be a seeded pair.

Life Master news

Dale Irish became a Silver Life Master (1000 masterpoints) playing in the Educational Foundation Stratified Open Pairs, winning Strat C. His partner was Rita Wiegenstein. Both are from Georgetown TX, near Austin.

Note: If you become a Life Master or cross a masterpoint milestone (e.g., becoming a Silver Life Master), please let the Daily Bulletin staff know about it. The Daily Bulletin office is located on the second floor of the Sheraton Hotel.

Bridge is going to the dogs!

Come shake paws with the recipient of the ACBL Charity Foundation's donation: Paws in the City: Saturday, March 22

2:30 p.m.

San Antonio Ballroom lobby (Conference Center, third floor)

Pets in attendance are available for adoption. Information on other adoptable pets will also be on site.

The ACBL Charity Foundation makes a \$5000 donation to a qualified charity at each NABC. The local tournament committee decides the recipient.

Paws in the City's mission is to end the overpopulation, abuse and neglect of Dallas-area dogs and cats. The goal of the all-volunteer, 501(c) (3) organization is that every adoptable dog and cat get a loving home. In September 2005, the group's commitment to animal rescue took them well beyond the city limits to New Orleans: In the wake of Hurricane Katrina's devastation, Paws in the City saved 35 dogs and 12 cats.

Wash your hands

This is the cold and flu season, so please be considerate of your fellow players by washing your hands frequently and making use of the hand sanitizers provided for you in the playing area. There are 15 of them. Note, however, that health officials emphasize such devices are no substitute for thorough hand washing with soap and warm water.

Audrey Grant's Modern Techniques for Bridge Teachers

Audrey Grant will offer a special continuing education opportunity for teachers at a breakfast on Sunday, March 23, at 8 a.m. The seminar will be held on the second floor of the Sheraton Hotel in Austin Rooms 2 and 3. A \$20 fee covers the textbook and seminar. The breakfast is sponsored by Baron Barclay Bridge Supply.

When it comes to teaching bridge,
Grant is a household name. For decades,
she has taught students, teachers and club
owners across the world. Her hands-on
approach and creative use of the table,
cards and bidding boxes has helped keep
students engaged, excited and focused.
Grant will share her teaching techniques in this
seminar for bridge teachers.

Following the seminar, you may attend Grant's free two-hour bridge lesson and observe her

techniques at work. See how she leaves students eager to learn more!

The Past Comes Alive

Dutch players Frank van Wezel and Hans van de Konijnenberg both collect books, magazines and Daily Bulletins about bridge. They especially enjoy reading Daily Bulletins from the pre-internet era because they are a treasure trove of wonderful photographs, marvellous sketches, splendid deals and tremendous stories and anecdotes.

Frank and Hans decided that this material should be at the disposal of all bridge players. At the same time, they want to save the history of bridge from oblivion. Therefore they launched a free website www.bridgedailybulletins.nl. On this site you can find thousands of scanned bulletins, both from the digital era and before: WBF, EBL and ACBL championship bulletins, as well as many from miscellaneous tournaments around the world.

If you have bulletins that they are missing, please contact them. Contact details can be found on the website.

Entry Fees

Players must be ACBL members whose service fees or dues are current in order to compete in any of the following nationally ranked events: **Kay Platinum**

Pairs, Silodor Open Pairs, Vanderbilt Knockout Teams, Leventritt Silver

Ribbon Pairs, Rockwell Mixed Pairs, Lebhar IMP Pairs, Whitehead Women's Pairs, Jacoby Open Swiss Teams, and the Machlin Women's Swiss Teams.

The entry fees for these NABC+ contests are \$20 per player per session. Note: \$1.50 per person per session benefits the International Fund.

Players must also be current ACBL members to play in the **0-10,000 Swiss Teams**, the **0-10,000 Knockout Teams** and the **Bean Red Ribbon Pairs**. The entry fee is \$17 per player per session.

Regional championships are \$16 per player per session for ACBL members, \$20 for non-members.

All other events are \$15 per player per session for ACBL members, \$19 for non-members. (Note: There is no entry fee for any flight of the North American Pairs, but participants who have qualified to play in these events are still required to be paid members.)

The Insider

Welcome to Dallas. Tomi and her amazing team of volunteers have put together what promises to be another great Texas-size NABC.

Susan ate her way around town to come up with the restaurant guide, the other Susan combed the area for volunteers, Gerrie called in some favors from the 2006 NABC to get the caddies and Mike and Lyn have been practicing staying up late to be ready to supervise the after-game snacks.

Cheryl helped bring in some cash from sponsors while Leslie kept track of the cash and a close watch on Tomi. Loretta is matching players and teams, Chris (Donna) have an INcredible new-player program and George and Gayle are passing out those famous Dallas bags that we will see at the next 12 NABCs.

David and Sue are pointing the way to their favorite stores and attractions while Jennifer made sure the whole town knew bridge was coming to the Sheraton. Catherine is handing out several thousand winner's prizes. Together, this group and a whole lot of other volunteers are making everything special for all of us. Thanks.

The other team in town – the headquarters team from the Greater Horn Lake Metroplex and the tournament directors from all over North America – is also trying its best to provide a quality tournament for everyone. This will be Chris Patrias's last NABC as Director in Charge (although he won't be retiring from directing for a while). For some other TDs, this will be the last NABC they work; for others, it's their first. The Insider thinks it would be a great idea for the Ask Me Girl to create a B-I-G list where each director can write in how many NABCs they have worked – look for it later today at the AMG nest on level two. She loves special projects, so, be sure to ask her about it.

Here's the EZ guide to finding the game you are looking for: 10 and 3 open games and the 10, 3 and 7:30 I/N games are on the 3rd floor of the Conference Center. Regionally rated games at 9, 1 and 7:30 are in that big, card table-filled space behind the tall black curtain – team games on the left, pairs on the right. NABC and NABC+ events inside the ballroom at the back of that regionally rated events room. Sometimes an event will be larger than we expect and we will move things around so check the back pages of the Bulletin. And, sometimes, we'll move things around just to see if the players are up to the challenge – we may play "Hide the Side Game" and move it to different place each day. Today, for example we have moved the first-floor cash concessions from the far right side in the back to the far left side closer to the front. It will be easier to find and more convenient

Be sure to watch this space for news of a breaking MasterPoint scandal presented in true Insider fashion – don't tell anyone where you heard the story. The Insider is reluctant to say too much, too soon but there is growing evidence that the Horn Lake staff is stocking up on MPs in hopes of matching Bitcoin's success.

Playing in an NABC+ pairs game? Buy your entry early!

In an effort to speed up the start of all NABC+ pairs events — which require additional time for proper seeding — the ACBL asks participants to please buy their entries at least 15 minutes before game time. This is especially true if you expect to be a seeded pair.

Got a hand you just have to share or a nice story? We'd love to see it.

The Daily Bulletin has its own email address: NABCDailyBulletin@acbl.org. You'll also find it on the front page under the "Daily Bulletin" between the date and the editors' names.

This email address won't be checked with any regularity when the NABC is not in session, so please continue to use our office email addresses for non-tournament–related correspondence.

On the way to victory By Phillip Alder

The Flight A Baldwin North American Pairs was played on Wednesday and Thursday. After the first day, 28 pairs moved forward to a two-board round-robin

The leaders into the second day were Bryan Howard and Terry Spector from District 10 (Alabama, Arkansas, Louisiana, Mississippi and western Tennessee). And they consolidated their position in the afternoon with an impressive 64.84% game.

Here are three of their good deals from that session, two rotated to make South the declarer.

In theory, Spector's opening bid was the mini 1NT, showing 10-12 points, but he downgraded because of his soft values. When South overcalled 2Ψ , Howard doubled for penalties.

West led the ♣4, lowest from an odd number. South took East's ♣J with his ♣A and played a spade to dummy's 9. East won with his ♠K, cashed the ♣Q and led another club. Declarer ruffed and tried to cash his ♠A. However, West ruffed, put his partner on lead with the ♠A and received a second diamond ruff.

When West exited with the ♠Q, South ruffed and led a diamond. West ruffed, cashed his ♥A and, at trick 11, continued with the ♠K, on which East discarded his last diamond. South ruffed and cashed his ♥K, but East took the last trick with his ♥Q for down three.

At double-dummy, there were several mistakes, but no one did anything dreadful. East-West took 800 and all 13 matchpoints.

Discuss East's double and West's pass with your partner. Still, making 54 requires guessing the trump suit and this contract could have been taken down two for plus 500. However, . . .

West led the ♣K to dummy's ace. Now Spector called for a low spade.

East made an error when he won with his ace. Given the auction, West was a good favorite to hold the ♠K. If East had ducked, West would have taken the trick and could have shifted to a trump to keep the defenders on top.

East did shift to a trump, but declarer won with his ace and accurately led another spade.

West took the trick with his ♠K, but had no good play. He chose a low club, which South ran to his jack. Declarer ruffed his last club in the dummy, discarded a diamond on the ♠Q and led another spade, ruffed by East and overruffed by South. After a heart to dummy's queen, declarer led a spade. East

ruffed with his last trump, South overruffed and had one more trump trick to come.

Declarer lost only two spades and two diamonds. Plus 730 was worth 12.5 out of 13.

Obviously, it would have been better for South to act earlier, especially if he could have advertised a two-suiter. Alternatively, North-South could have agreed to use their normal methods − *e.g.*, Cappelletti − over 1NT. Note that 3♣ would have been a comfortable make for North-South with the trumps 2-2 and the ♦A onside.

(3) 16-18 points

Against 2♠, West led the ♣Q. South ducked, took the next club with his ace and played a diamond. West went in with his ace and led a spade to dummy's bare ace. Declarer would have done best to plug away at clubs, but he understandably cashed the ♦K, ruffed a diamond in his hand and exited with a low spade to West's jack.

West cashed his ♥A and played another heart. South ruffed and led a club, but East ruffed and played his ◆J. South, left with only one trump, could not take another trick and went down three.

Should East-West have doubled? No need – plus 300 was worth all 13 matchpoints.

This deal occurred in the last session.

South was tempted to pass out 2♥ doubled, which would have worked well. After a trump lead, three rounds of hearts and three rounds of spades, North-South can gain 300.

Against 2♠, West led the ♠K. Declarer won with his ace, played a spade to dummy's queen, returned a heart to his ace and led another low trump, capturing West's king with dummy's ace. After a spade to his 10, South continued with a diamond. West won with his queen, cashed the ♠K and played a club to his partner's ace. East returned the ♥Q (not that it mattered).

Declarer won with his king, went to dummy with a diamond, drew East's last trump, cashed the final diamond and conceded trick 13 to West's $ext{ } ext{ } e$

Howard and Spector had a below-average final session, but it was just enough to win by 3.97 matchpoints over Doug Doub and Frank Merblum (who have two wins and another second in this event). Third, a board back, were Ethan Stein and Rick Zucker.

Electronic Device Policy

The electronic device policy at NABCs allows players to bring electronic devices such as cell phones into the playing area provided that such devices are **turned off.**

Further, any such equipment **must not be visible** during the session

The policy applies to all pairs, team members, captains, coaches, kibitzers and play recorders, except those designated by the ACBL and are in force throughout any actual playing session or segment of play.

A violation of the policy will result in an **automatic disciplinary penalty** of one full board (or 12 IMPs at that form of scoring) for the first offense. A second offense will result in disqualification from the event for the pair/team. Kibitzers violating this policy will be removed from the playing area for the remainder of the session.

Be Scent-sitive!

Some people have an extreme sensitivity to fragrances (colognes or perfumes). Many ACBL clubs, units and districts have adopted policies that prohibit players from wearing fragrances. The

ACBL has not issued an official policy on the matter, preferring instead to appeal to the goodwill of its members to refrain from using fragrances.

Because duplicate bridge requires players to be in close proximity to each other, individuals who suffer from fragrance-related reactions cannot avoid those who are wearing them. Among the commonly reported symptoms are intense headaches (indeed, fragrances can frequently be a trigger for migraine sufferers) or breathing-related problems. For these individuals, the issue is much more serious than simply disliking a particular smell — it's a real health problem.

The ACBL asks everyone to give this issue the consideration it deserves. Please, if you're going to play in a club or a tournament, don't wear cologne, perfume or scented lotions.

Monitoring

At this and future North American Championships, ACBL will be monitoring NABC+ events with visible, real-time cameras. The images will be recorded and will be available for later official inspection and review.

By general monitoring of the session and participants' behavior, ACBL has another source of information that may be useful in determining facts and settling issues arising from some types of ethical and behavioral complaints or actions. Please summon a director if a problem occurs at the table.

This procedure is intended to assure everyone that the playing field is level and that misbehavior will not be tolerated.

Cash concessions

The cash concession stand is in the Grand Hall on the first floor of the Conference Center (near the bookseller).

Use of the Bidding Box – Alerts and Announcements

When using bidding boxes, the ACBL requires that players tap the Alert strip and say "Alert" at the same time.

When making an Announcement, use the Announcement word (such as "transfer") and tap the Alert strip at the same time.

A player who Alerts or Announces a bid must make sure his opponents are aware that an Alert or Announcement has been made.

Notice to players

Each player must have an ACBL convention card filled out and on the table. Please note that other types of convention cards, such as the WBF convention card or homemade cards that do not sufficiently resemble the ACBL convention card, are not acceptable substitutes.

Slow play: the curse of the game

Patty Johnson, Sebring FL, is a National Tournament Director and the Director-in-Charge for all District 9 (Florida) tournaments.

An old tournament director friend of mine, John "Spider" Harris, was famous for the saying: "Slow play is the curse of the game." Nothing is more frustrating for tournament directors than having to herd players along like cattle when slow play isn't actually the problem.

If you take a moment to think about it, most of your opponents do not take that long to bid or play a deal -- yet before you know it, the round is being called and you are nowhere near finished with the last board.

Here are some suggestions which, if followed, would solve many of our problems.

First: do not post mortem between deals whether you are in a pair game or a Swiss team event. Finish the round and then discuss hands if there is still time. We, as directors, will not cut your time but I think you will find yourselves under less pressure by following this suggestion. Remember: we provide hand records in pair games so you don't have to worry about forgetting a particular holding.

Second: if you are on opening lead, make your lead before recording the contract in your private score. You will have plenty of time after leading to record the information and still see the entire first trick.

Third: unless you have a legitimate reason to leave the table, such as the restroom or a smoke break, please remain at the table and visit with your opponents. You might actually find this enjoyable and a new way to make friends or future Swiss team partnerships.

I wish we could make these suggestions into rules enforceable by penalty, but none of us wants a bridge event decided by the pair with the fewest penalties. All I can do as a director is to ask the cooperation and help of all players because I think not only you but everyone else will enjoy their tournaments more.

Remember: those who enjoy a tournament will continue to play. Do your part to make bridge enjoyable for yourself, your partner and your opponents -- you can't play without them.

Convention card reminder

Each player is required to have a convention card filled out legibly and on the table throughout a session. Both cards of a partnership must be identical and include the first and last names of each member of the partnership.

If a director determines that neither player has a substantially completed card, the partnership may play only the Standard American Yellow Card and may use only standard carding. This restriction may be lifted only at the beginning of a subsequent round after convention cards have been properly prepared and approved by the director. Further, the partnership will receive a 1/6-board matchpoint penalty for each board played, commencing with the next round and continuing until the restriction is lifted. In IMP team games, penalties shall be at the discretion of the director.

If the director determines the partnership has at least one substantially completed convention card but has not fully complied with ACBL regulations, the director may give warnings or assign such penalties as he deems to be appropriate under the circumstances.

The objective of these warnings and penalties is the encouragement of full compliance with ACBL regulations.

Today's Sponsors

Dorsey Shaw Day

Dorsey was born in Wyoming into a card-loving family. She and her sister, Betty, were close and developed a bond playing bridge.

In her early 20s, Dorsey invested 35 cents in Goren's "Standard Bidding," and it became her bridge bible. After she and several friends (later known as the Crazy Eight) read the book, they began playing washing-machine bridge – four hands of bridge for a load of clothes. In no time, they were *the* bridge group in town.

In the late 1950s, Marie Burnell, a noted bridge player in Wyoming, was contacted by a newcomer's group to teach lessons. Marie felt she was too old to teach, and suggested they contact Dorsey.

With Marie's recommendation, Dorsey began her teaching career. To prepare for her first class, Dorsey obtained one of Charles Goren's loose-leaf manuals. She used this material to broaden her own knowledge of the game.

Dorsey's sister told her to earn 10 points worth of experience, so Dorsey and her partner traveled throughout Wyoming, picking up fractions of points until she had earned 10 masterpoints. They played a

lot of bridge and saw all the sights of Wyoming. Soon after this, while at a tournament in Denver, she won her first red points, which were lost when the ACBL converted to computers.

Dorsey became a qualified director in 1970 and a certified director in 1973. Her family moved from Wyoming to Tucson AZ in 1973. While in Arizona, she established clubs in Tucson and Casa Grande. Her teaching career was blooming.

In 1977, the family again moved, this time to Plano TX. By the early 1980s, Dorsey had established a sanctioned Plano newcomer game in her home. The newcomer group started small and grew into a large following of bridge enthusiasts, several of whom still play in the area today.

An idea was born out of this group to start a bridge studio. On Dec. 6, 1985, Dorsey opened the Plano studio with her signature of using all pink and the slogan, "Courtesy is Contagious." She also became a Life Master that same year.

After Dorsey experienced some life changes, the Plano club was closed, but you can't keep this bridge player down! In 2008, Dorsey, along with some very good friends, opened the new Dorsey's Bridge Studio

in Richardson.

Now a Gold Life Master, Dorsey is synonymous with bridge in North Texas. With her infectious smile, she continues to open the door for seasoned bridge enthusiasts and newbies alike. For a woman whose only ambition was to be a mother, Dorsey definitely made her mark in the bridge world. In her own lovely way, she has touched the hearts of so many players who have the privilege of calling her a true friend. Those friends hope this day is as special for her as she is to them.

One final note: Dorsey is an avid New York Yankees fan. Those of us in the DFW area who cherish our friendship with Dorsey have learned to accept the fact we just can't win her over to the Rangers.

Lynne, Shannon, Casey, Morgan, Marty and I love Dorsey more than words could ever express. We are so thankful for her friends in the Dallas bridge community who have generously sponsored this special day to celebrate Dorsey and her many contributions to the game.

- Ryan Lockard, Dorsey's daughter
