#### Strul, Monaco out in Spingold opener

One hundred and four squads entered the 2017 Spingold Knockout Teams, and yesterday's opening round pared the field to 64 teams. Among those already on the sidelines, however, are the No. 4 seed captained by Aubrey Strul and Team Monaco, the No. 14 seed led by Pierre Zimmermann.

Strul was upset by the No. 103 seed of captain David Caplan, Mark Caplan, Erika Rodin and Emanuel Unge. Caplan defeated Strul 129-126.

Monaco was ousted 105-98 by a U.S. Junior squad led by captain Christian Jolly. The rest of the No. 93 seed is Adam Kaplan, Ben Kristensen and Kevin Rosenberg.

Other notable upsets in the first round include John Onstott (No. 25) who fell to Eric Sieg (No. 82) 118-116, and Kit Woolsey (No. 26) who was beaten by Christophe Grosset (No. 81) 125-92.

#### Glasson ahead in **Senior Swiss Teams**

The team captained by Bob Glasson qualified for the final of the Truscott USPC Senior Swiss Teams with a slim lead over the second-place squad. The Glasson team is Bob, his wife, Joann, both of Pennington NJ; Rick Rowland, Wilmington DE, and Martin Rabinowitz, Garnet Valley PA.

They start play today with a carryover total of 27.71 victory points, 3.68 VPs ahead of second. That team is Crispin Barrere and Bruce Tuttle, Berkeley CA; Rick Roeder, La Mesa CA; John Jones, Santa Fe Springs CA; Jeff Roman, Bend OR, and Leo Bell, Carlsbad CA.

The event ends today.

#### Meckstroth, **Rimstedt leading Wagar Women's Pairs**

Sally Meckstroth and Cecilia Rimsted have the lead after the two qualifying sessions of the first Wagar Women's Pairs. The event, formerly a knockout teams, was changed this year to a pairs championship. The event concludes with two final sessions today.

Meckstroth, of Clearwater Beach FL, and Rimstedt, of Onsala, Sweden, will start play today with a carryover lead of 2.84 matchpoints with a top of 19.

In second place are Lindsay Weinger, of Delray Beach FL, and Signe Buus Thomsen of Frederiksberg, Denmark.

#### Miles leads Online Individual

After two of four sessions, Danny Miles of Toronto leads the ACBL Online Individual contest with a two-session average of 69.76%. In second with an average of 69.73% is Mike Grodsky of St. Simons Island GA. There are 2559 contestants in the event.

Correction: In yesterday's first-session results, masterpoints awards should not have been given to any player below 67th place.

### **Goodwill Committee focuses** on bridge's future

Co-Chairs of the Aileen Osofsky Goodwill Committee at Monday's committee meeting: Front, Sandy DeMartino and Richard Brown; rear, Janice Anderson, Marilyn Vilhauer, Janise Saul, Joo-Hee Janicki, Carol Hamilton. Not pictured: Sandy Arlinghaus.

With the 10th Youth NABC just around the corner, it was not a surprise that there was lots of talk at the Aileen Osofsky Goodwill Committee meeting on Monday about how important it is to recruit new, young players – and to keep them coming back.

That was the word from Flo Belford, who received a certificate of appreciation from Paul Janicki, who represents NABC host District 2 on the ACBL Board of Directors. It was a thank you for Belford's work as Intermediate/Newcomer chair, the third time she has undertaken that job at an NABC in Toronto.

Part of Janicki's presentation was a video from a local television station of one of the annual youth tournaments that immediately precede the Toronto Regional every spring. The tournament was Belford's idea 15 years ago. Attendance is typically 500 players, but it has gone as high as 600.

"The challenge," said Belford, "is to keep them

Goodwill Chair Sandy DeMartino reminded committee members that they should stress to young people that "they can be competitive, but they must also be friendly, caring and ethical."

DeMartino started proceedings with a welcome to committee members, followed by the introduction of Bahar Gidwani, ACBL's new chief executive. On taking the podium, Gidwani proposed a toast to the committee. "You have done a wonderful job," he said. "We appreciate very much what you've done." That was followed by DeMartino's presentation of a Goodwill pin to the new CEO.

ACBL President Bob Heller echoed the sentiment about the importance of making bridge more attractive to youngsters. "They clearly are the future of bridge," he said. Heller, a former resident of Georgia, congratulated the Georgia Tech team

#### The royal treatment

The ACBL Educational Foundation has selected Richard Jeng of the Atlanta area as the 2017 King of Bridge. The annual award recognizes a graduating high school senior for their playing record and overall participation in the bridge community.

At 18, Jeng already possesses an impressive collection of titles, especially from Youth events. Richard plays exclusively with his older brother, Andrew, and the duo posted their earliest wins in the Georgia Youth Pairs and Teams Championships almost a decade ago. Their record in the Youth NABCs is astounding, with multiple victories in the Youth National Pairs and Teams Championships.

In "adult" NABC contests, they have been equally effective. In 2011 in Toronto, the Jeng brothers won the Young Life Master Pairs, and in 2015, they were the winners of the Golder North American Pairs, Flight B.

They made their first foray into world Youth events in 2010, and in 2012, they took home a silver medal representing the U.S. at the World Youth Bridge Championships. In 2013, they captured the gold medal in the 2013 World Youth Bridge Team Championship and the silver medal in the World Youth Bridge Pairs Championship.

Along the way, Richard managed to briefly claim the title of Youngest Life Master in ACBL history. Jane Champion, secretary of the ACBL

Educational Foundation, said, "With such an astounding record, Richard was an extremely strong candidate for King of Bridge this year. The members of the foundation board were very impressed. And recognition certainly goes to Patty Tucker and the Atlanta Junior

Bridge program for developing such talent."

Richard agrees with the assessment of Tucker's

"Patty Tucker and her role as president of Atlanta Junior Bridge has been the strongest influence in my short bridge career thus far. She was the one who put advertisements in the newspaper for an AJB summer camp way back in 2006, and after my first week there, it has been a rollercoaster that goes ever upwards. She introduced to me to other mentors such as Lola Sliom, Tom and Jenni Carmichael, and eventually with Michael Rosenberg and other USBF mentors. She introduced me to one of my first

Bridge Bucks will be sold for \$20 USD and will be valued at \$25 CAD during the Toronto NABC. Note: Bridge Bucks are sold in USD. There are no fees if a U.S. credit card is used for purchases, but fees may apply for those using non-U.S. cards.

Players may use VISA, MasterCard, Discover and American Express to purchase Bridge Bucks. There is a daily \$500 limit on check cashing.

#### Help speed up the entry line: Pay with CDN currency

Players can help speed up the line for buying entry fees by paying in Canadian currency. Players who present U.S. currency at the selling desk slow down the process by forcing the directors to first exchange currency and then make change.

There are many nearby places where currency may be exchanged. Help make the pre-game experience better by having your entry fees ready in the proper amount and in Canadian currency.

#### **Notice of binding** arbitration

By becoming an ACBL member or renewing your membership in the ACBL, you expressly agree to waive your right to have disputes between you and the ACBL resolved in a court of law and agree to accept the use of binding arbitration before the American Arbitration Association. The binding arbitration provisions are available for review at acbl. org/bindingarbitration.

#### **Buy your NABC** entry online

Don't wait in line! Buy your entries in advance for all national-level events in Kansas City at BridgeWinners.com.

Entries must be purchased by 10 a.m. the day of the event EXCEPT for events that require preregistration, in which case the

ACBL deadline, or the earlier of the two, applies.

A nice feature: You can buy entries in advance and be charged for the total number of sessions played after the event is over.

#### Picked clean

#### By Jeff Lehman

On this deal from the second qualifying session of the von Zedtwitz Life Master Pairs, I declared 3NT against experts Eric Greco and David Bakhshi and was treated to a particularly tough defense. I was playing with partner Alan Frank.

Dlr: South **♦**QJ65 Vul: N-S **♥**986 ♦ K J ♣ J 10 9 8 ♦ 9 7 4 3 2 **★** 10 8 **♥** K Q 5 2 **♥** 10 7 ♦ O 8 6 5 ♦ A 4 3 **♣** 7 6 5 ♣ K 4 2 ♠ A K **♥**AJ43 **♦** 10 9 7 2 **♣** A Q 3 West North East South Greco Frank Bakhshi Lehman 1♦ Pass 1♠ Pass 2NT Pass 3NT All Pass

Greco led the ♣7, and dummy's 8 held the trick. I unblocked the ♠A K and led a diamond. When West played low, I misguessed and played the king. East won the ♦A and returned a careful ♥7, ducked to Greco's queen. West then cashed the ♦Q and exited a diamond (I pitched a club from dummy), sticking me in my hand. So I cashed my last diamond, pitching another club from the table, and arrived at this position:

Double dummy, I can make the contract by now playing the ♥J to West's king, pinning East's 10: West would be endplayed. I misread the heart position, however, largely due to Bakhshi's nice play in hearts earlier. I instead cashed the ♥A and exited with a low heart, hoping the suit was 3-3 and that East would be endplayed into playing a black card. However, Greco won the ♥K and exited a heart, putting me back in my hand once again. I was forced to concede a club trick to East at the end.

I lost two hearts, two diamonds and a club for down one. Minus 100 was worth half a matchpoint on a 51 top. Ouch.

## JUST FOR NEW PLAYERS

## Tips to improve your game - Part 5

By Brent Manley

#### Talk it over

So far, I've encouraged you to be a good partner and to find someone compatible to play as your regular partner. If you can find that person you

will have another advantage: a chance for regular, in-depth discussions.

Yesterday, the topic was essential conventions, starting with Stayman. Okay, so you know that 1NT − Pass − 2♣ means responder is asking about four-card

majors. What if the bidding goes this way?

West North East Sou

West	North	East	South
1NT	Pass	2♣	Pass
2♠	Pass	3♣	?

Is 3♠ forcing? Does it show clubs? Does it mean something else? What if opener had responded 2♠ (no major) and responder bid 2♠? It's probably five spades and four hearts because without the hearts, responder would just transfer to spades. It is not good, however, to introduce something completely new without a discussion.

What if you open 1NT and partner bids 4NT? Is she asking for aces? Could it be something else? For most partnerships, the 4NT bidder is asking opener to bid 6NT if his HCP are on the upper end of the 15-17 range. Opener can pass with 15 or even 16 if he doesn't like the texture of the suits (few 10s and 9s) or if he has dull shape (no long suit). I would bid 6NTwith 16 and a five-card suit.

When you and your partner add a convention to your card, do yourselves a favor and discuss all aspects of the convention and the follow-ups. If you're not sure about what's best, ask an experienced player for help and advice.

OUT OF HAND

#### More essential bidding tools

Negative double: This is another problemsolving convention. Say you hold:

**♦**952 **♥**QJ96 **♦**KJ74 **♣**Q5

Partner opens 1♣ and the next player overcalls 1♣. Without negative doubles, you are stuck. You want to bid with 9 HCP, but your choices are all bad. 1NT is out because you can't stop spades. You can't raise partner with a doubleton and if you bid either red suit at the two level, it shows 10 or more HCP and at least five in the suit. If you are using the negative double, you are set. Double in this situation shows enough to respond but doesn't promise a lot of HCP. It does indicate support for hearts and diamonds, although you can make an exception when you have good support for partner's opener, say four cards or more. You don't

raise directly because doing so would deny four hearts, and your priority is finding a major-suit fit if there is one. If partner bids 2♦ and this is your hand,

BY BILL BUTTLE

**♦**9 5 2 **♥**Q J 9 6 **♦**K J **♣**Q 5 4 3, you can go back to clubs.

Please note that the higher the bid on your right, the more high-card strength you need to make a negative double. Say partner opens 1♦ and your right-hand opponent overcalls 3♠. If you double and partner doesn't have a spade stopper for notrump or the strength in overcaller's suit to pass and convert your double to penalty, she is going to have to bid at the four level. You should have least an opening bid to double in such a situation. More on negative doubles tomorrow.

		Pass	1♣
1♠	2♦	2♠	2NT
Pass	3NT	All Pass	

♣ Q 10 9 8

#### Opening lead: ♠6.

Bidding commentary: As East, you have a borderline raise to 2♠. As North, your 2♦ bid in competition shows 10+ HCP and is not a gameforce, but your trick-taking potential is enough to raise to 3NT after partner's non-forcing 2NT bid (13-14 HCP).

**Play commentary:** As South, take the first trick with the ♠K, not the ace. West knows you

have the ♠A K from East's play of the ♠J, but East can't be sure what's going if you win the king. East may think you have K-Q-x or K-x-x. It doesn't matter on this deal, but if you win the ♠A, East may smell a rat. If your only stopper is the ace, why no holdup play?

Bottom line: With an A-K stopper at notrump, take the first trick with the king. In a suit contract, try the ace.

**Defensive commentary:** As West, after winning the ◆A, you can count declarer for at least nine tricks outside of hearts: five diamonds, two spades and two clubs, minimum. To entertain any hope of defeating the contract, shift to a low heart (the 3) looking for four heart tricks.

**Defensive commentary #2:** As East, when partner shifts to a low heart, showing strength, win the ♥A, return the ♥2 and rattle off four heart tricks. Down one. If West had wanted a spade return, He would have shifted to a high heart, showing weakness.

bridge books, 25 Conventions You Should Know, and I have since then devoured many more. Without her and AJB, I would not be where I am today. She has additionally helped me grow as a bridge mentor, by encouraging my brother and me to be accredited teachers. Patty also allowed me to teach AJB summer camps, hopefully giving the same experience to Atlanta youth as I was given many years ago," he said.

Tucker said, "As a teacher, every once in a while, you're lucky to find a student who loves bridge. If you're really lucky, you find a student who also shows a strong character, a giving personality, a keen intellect and a genuine respect for the game. That's Richard."

"In middle school, I created a bridge club and helped to teach students bridge. Additionally, on most Saturdays and in the summer, I help to teach classes and camps. For example, I taught four AJB summer camps last summer over the span of two weeks, giving me the ability to spread my love for the game. And TAP Accreditation has been very useful, giving me access to ACBL resources. In addition to teaching camps, I have helped out with events such as The Longest Day."

Richard is grateful for the opportunities he has had to develop as a player.

"It really is true that you can never stop learning bridge, and I can say without a doubt that I am still learning. Without all the help of the people mentioned above, I wouldn't have the exhilarating thrill that bridge has given me. I would also like to thank District 7 and the entire Mid-Atlantic Bridge Conference staff for providing such well-run tournaments that have allowed my brother and me to practice. Additionally, I would like to thank the ACBL and the Educational Foundation for running and funding the Youth NABCs. I have attended nearly every one of them, and it truly is a gratifying experience to meet up with old friends as well as play a few hands of bridge and enjoy a zip KO or two. I also have much appreciation for the USBF program.

It gives kids like me an opportunity to compete internationally. Lastly, I would like to thank my brother and parents for continuously supporting me on this journey of bridge."

Goodwill Committee Chair Sandy DeMartino at the podium.

for winning the 2017 Collegiate Bridge Bowl and noted that the ACBL board is considering doing away with the age limit for college players who want to participate in the annual competition. The sentiment, he said, is that any full-time student should be eligible.

The president also offered thanks to Robert Hartman, who served as chief executive for six years before announcing earlier this year that he was leaving at the end of July to join a family business in Florida. "Robert certainly helped Bahar get off to an amazing, running start," said Heller.

In closing the meeting, DeMartino said her husband, former ACBL board member Richard DeMartino, sometimes teases her by saying her goodwill messages are "too schmaltzy," but she is not deterred from being herself. "I like warm and fuzzy," she said, adding, "Be in style, wear a smile. Goodwill is contagious. Let's spread it around."

In his remarks, Janicki pointed out that Americans should be happy with the exchange rate when they trade in U.S. dollars for Canadian currency. "You get an extra 20%," Janicki said, "so we expect 20% extra goodwill at the bridge table."

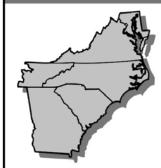

Bahar Gidwani, ACBL's new chief executive, toasts the crowd at the Goodwill Committee meeting.

#### Notice to players

Each player must have an ACBL convention card filled out and on the table. Please note that other types of convention cards, such as the WBF convention card or homemade cards that do not sufficiently resemble the ACBL convention card, are not acceptable substitutes.

#### For want of a horseshoe

#### By Barry Rigal

John Rengstorff of New York City reported this deal from the first final session of the von Zedtwitz Life Master Pairs. His partner was Geoffrey Brod of Avon CT. They were North-South.

Rengstorff led a third-and-fifth ◆7 to the jack, queen and 3. Brod played the ♣K, ducked by declarer, then continued with the ♣Q (yes, perhaps a diamond might have left declarer in a worse position). Declarer won the ♣A and led a third club. Rengstorff ruffed with the ♥6 and made the key play of the ◆9. Declarer finessed the ◆10 and ran trumps to reach this ending.

There was no squeeze. On the last trump, Rengstorff pitched his spade and refrained from covering when declarer played the ◆5.

Declarer made not one but two slips at trick one. He might have played low from the board, but more to the point, he had to "unblock" the ◆5! Then he would have had a diamond finesse at trick 12.

On this board, Brod had a chance to shine.

After the ♠Q lead, Brod misguessed by winning the ace. He led a trump to the ace, getting the bad news, then played a heart to West's king. Back came a diamond to the king and ace, a top club to the king, ruffed by West, who exited with a diamond. Brod won the ♠Q and played the ♥Q from hand to West's ace. Brod ruffed the third round of diamonds in dummy. This was the position:

Brod ruffed a heart, crossed to the ♠K, cashed the ♥9 to discard his club loser, then led a club to execute the trump coup for plus 140.

#### **Monitoring**

At this and future North American Championships, ACBL will be monitoring NABC+ events with visible, real-time cameras. The images will be recorded and available for later inspection and review by officials.

By general monitoring of the session and

participants' behavior, ACBL has another source of information that may be useful in determining facts and settling issues arising from some types of ethical and behavioral complaints or actions. Please summon a director if a problem occurs at the table.

This procedure is intended to assure everyone that the playing field is level and that misbehavior will not be tolerated.

They were second in the 0-10,000 NABC Pairs: Francine Cimon and Pierre Daigneault.

#### **Fixed**

Oregon's Rick Prouser and Ray Robert reported the following amusing deal from Sunday's morning pair game in which a bidding accident by the opponents gave Prouser and Robert a zero:

F F		
Dlr: North	<b>♠</b> 10	
Vul: None	<b>♥</b> 4

	♣ A 6 3 2	

North opened 4♣ (intended as a preempt), forgetting their partnership agreement that 4♣ was Namyats, showing a long heart suit. South Alerted and duly bid 4♥, and North ethically passed.

Prouser and Robert defeated 4♥ eight tricks to score plus 400, but the East-West field was in a heart game, scoring 11 tricks for plus 450.

#### Youth and Junior entries

Coupons will be made available for Junior members in good standing for entry into events at NABCs:

- 1. Any player under the age of 26 years who is a full-time student (must provide proof of eligibility) will be entitled to coupons that can be used for any event. These coupons will have a value of \$13 CAD per session.
- 2. Any player under the age of 21 years will be entitled to coupons that can be used for any event. These coupons will have a value of \$13 CAD per session.
- 3. Any player 19 years and under will be granted free plays for each session of regionally rated events.
- 4. Players under the age of 26 years named to teams to represent the U.S., Canada and Mexico in world competitions for NABCs occurring between the time they are named to the team and the world championship will receive free plays at NABCs when playing with members of their team or members of another team representing Zone 2.

#### Appealing a ruling

Players in NABC+ events who want to appeal a director's ruling initiate the process by speaking with the director who delivered the original ruling. The table director will fill out paperwork regarding the appeal, and the appellants will explain what they believe to be wrong with the initial ruling. From there, the case may be handled by a variety of means. When the appeals reviewer receives the case, the circumstances of that particular case will determine whether the case can be resolved by the original staff (in the case of misapplication of Law or regulation, for instance), a panel of directors, or even a committee-type hearing which could include bridge experts.

## Use of the bidding box — Alerts and Announcements

When using bidding boxes, the ACBL requires that players tap the Alert strip and say "Alert" at the same time.

When making an Announcement, use the Announcement word (such as "transfer") and tap the Alert strip at the same time. A player who Alerts or Announces a bid must make sure his opponents are aware that an Alert or Announcement has been made.

## The Past Comes Alive

Dutch players Frank van Wezel and Hans van de Konijnenberg collect books, magazines and Daily Bulletins about bridge. They especially enjoy reading Daily Bulletins from the pre-Internet era: these periodicals are a treasure trove of wonderful photographs, marvelous sketches, splendid deals and tremendous stories and anecdotes.

Van Wezel and van de Konijnenberg decided that this material should be at the disposal of all bridge players. At the same time, they want to save the history of bridge from oblivion. Therefore they launched a free website: www.bridgedailybulletins.nl

On this site you may find thousands of bulletins, both from the digital era and before. WBF, EBL and ACBL championship bulletins are posted, as well as many from miscellaneous tournaments around the world.

If you have bulletins that they are missing, please contact them. Contact details can be found on the website.

East dealt and passed. South passed, too, and West opened an indisputably light 1♦. North, not content with a simple jump to 4♥, decided to start with a double. East bid an innocent 1♥, and South, responding to the takeout double, upgraded a bit and bid 2♠. West passed.

North now tried 4♥, but South, believing this was a slam try in spades, "signed off" in 4♠. North persisted with 5♥, and South – not yet quite sure what was going on – tried 6♣. North plowed ahead with 6♥, and an exasperated South turned to East and said, "Aren't you going to start doubling?"

#### **Electronic device policy**

The electronic device policy at NABCs allows players to bring electronic devices such as cell phones into the playing area provided that such devices are turned off. Further, any such equipment must not be visible during the session.

A violation of the policy will result in an automatic disciplinary penalty of one full board (or 12 IMPs at that form of scoring) for the first offense. A second offense will result in disqualification from the event.

unny San Diego plays host to the 2017 Fall North American Bridge Championships, and, as venues go, this one is hard to beat.

With games available for all levels of players you don't want to miss the San Diego NABC, Nov. 23-Dec. 3.

#### **Good technique**

Glenn Eisenstein liked the way his partner, Dan Boye of Farmington NY, handled this deal from the second final session of the von Zedtwitz Life Master Pairs.

(1) Three-card spade support

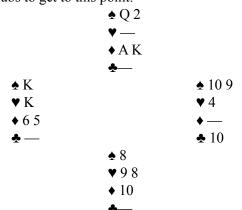

South started with the ◆J, overtaken by North with the queen. Boye ruffed, played a club to dummy's ace and ruffed another club. He then played the ♣K, picking up the suit, and ran trumps. This was the end position (the South hand is irrelevant):

When Boye cashed the ♥A and played a heart to dummy's king, North had only losing options. If he discarded a spade, Boye would take three spade tricks. Discarding the ◆A would make dummy's ◆6 good. Plus 420 was worth 36.5 matchpoints on a top of 38.

To hold declarer to 11 tricks, South must lead a spade, which is the start needed to break up the squeeze.

Note that it would not have helped for North to play low on the opening lead and for South to switch to a spade. In that case, declarer wins the ace, pulls trumps, ruffing a diamond along the way, and plays clubs to get to this point:

When Boye leads a heart to dummy's King, North can pick his poison. A spade discard allows Boye to cash the ♠K, felling the queen, and return to hand with a diamond ruff to cash the good ♠10. If North pitches a diamond, Boye ruffs, establishing the ♦6 and returns to dummy with a spade to the king.

Twelve tricks in clubs are always available with West as declarer because North cannot lead a spade without giving up an extra trick in the suit.

#### be scent-sitive!

Some people have an extreme sensitivity to fragrances (colognes or perfumes). Many ACBL clubs, units and districts have adopted policies that prohibit players from wearing fragrances. The ACBL has not issued an official policy on the matter, preferring instead to appeal to the goodwill of its members to refrain from using fragrances.

Because duplicate bridge requires players to be in close proximity to each other, individuals who suffer from fragrance-related reactions cannot avoid those who are wearing them. Among the commonly reported symptoms are intense headaches (indeed, fragrances can frequently be a trigger for migraine sufferers) or breathing-related problems. For these individuals, the issue is much more serious than simply disliking a particular smell — it's a real health

problem.

Please, if you're going to play in a club or a tournament, don't wear cologne, perfume or scented lotions.

The Daily Bulletin has its own email address: NABCDailyBulletin@acbl.org. You'll also find it on the front page under the "Daily Bulletin" between the date and the editors' names.

This email address won't be checked with any regularity when the NABC is not in session, so please continue to use our office email addresses for non-tournament—related correspondence.

#### Canada's 52 All-time Greatest Bridge Players: Part 3

By Andy Stark

We continue our countdown of the 52 all-time best Canadian bridge players with Nos. 21-30.

#### 30. Judith Gartaganis

If Judy's name sounds familiar, it's because there was an article in the July Bridge Bulletin about her induction into the Canadian Bridge Federation Hall of Fame alongside her bridge and life partner, Nicholas Gartaganis. Judy has won the Canadian National Team

Championships (CNTCs) four times and has been second six times. Judy won a silver medal in the 2012 Transnational Mixed Teams, and she won a gold medal in the 2002 Commonwealth Nations Bridge Championships. In 2004, Judy won the inaugural Canadian IMP Pairs Championships (CIPCs) with partner Piotr Klimowicz.

#### 29. Drew Cannell

Drew has a bridge career that is as eclectic as it is successful. How many of us can say we have won a bridge championship on five continents? Heck, most of us are happy to win on one continent. If Antarctica ever hosts a bridge event, I'm betting on Drew. He

has won one Zonal gold and one Zonal silver medal in the Central American and Caribbean Bridge Federation (CACBF) championships, two CNTCs, and four NABCs, including the NAP Baldwin Flight A in 1986 G. Sekhar. They were the first Canadian pair to win this prestigious grassroots event. Another first for Drew came in 1985 when he was on the first all-Canadian Bermuda Bowl team. Up to that point, Canadians playing in a Bermuda Bowl were part of a North American team.

#### 28. Kamel Fergani

Kudos to Kamel. After a serious health scare a couple years ago, Kamel is back and seemingly playing better than ever. Just last May his team came in second in the CNTC, losing the final by 2 IMPs. In total, Kamel has won six CNTCs and two NABCs, including

the 2016 Wernher Open Pairs with regular partner Frederic Pollack. Together, they form a world-class partnership. In Wroclaw last year, they finished 13th in the World Open Pairs and fifth in the Rosenblum Teams. Kamel also forged a strong partnership with Nic L'Ecuyer, as four of Kamel's CNTC wins came while partnering Nic.

#### 27. Bruce Ferguson

No. 20 on the ACBL's all-time list of masterpoint holders, Bruce, originally from the Maritimes, is now a bridge professional living in California. Bruce has won one CNTC (1992), three NABCs, including the Baze Senior KO Teams (2007), and twice he finished

as runner-up in NABCs, including the Reisinger in 1995. Bruce brings to the table his 'down East' folksy charm combined with razor-sharp hand analysis.

#### 26. Dan Jacob

Dan, originally from Romania, is a contender in almost every event he enters. He has won three CNTCs, one Canadian Senior Teams championship (CSTC), four Canadian Open Pairs Championships (COPCs) with three different partners,

and one CIPC. 2014 was a hot year for Dan, as he and his partner Piotr Klimowicz won the COPC and CIPC – that's two titles over three days. As for NABCs, Dan has two firsts and three seconds. Dan's best finish at the world level was when he and his partner Jurek Czyzowicz won Bronze at the Senior Teams in Sanya (2014).

#### 25. Dianna Gordon

Dianna is without a doubt one of our most accomplished players. She has a sparkling resume that culminated in her becoming a CBF Hall of Famer. Dianna has won the CWTCs a total of 15 times and has represented Canada in 23 world championships, from

1976 in Monte Carlo, where she finished fourth in the Women's Teams, to 2011 in Veldhoven. She won one NABC, the Machlin Women's Swiss Teams in 1985 and finished second in three NABCs. Most tellingly, Dianna has a world gold medal: She and partner George Mittelman won the Mixed Pairs in Biarritz in 1982. To complete the WBF championship medal trifecta, Dianna has one silver and three bronze medals.

#### 24. Bruce Gowdy

When you were 19 years of age, were you playing bridge? Bruce was. Not only that, he was winning a Spingold! Way back in 1949, he played on the Alvin Landy squad and defeated a team that included Oswald Jacoby and Waldemar von Zedtwitz in the finals. Wow! Fifteen years later, Gowdy played in another Spingold final, but lost to four slouches named Murray, Kehela, Sheardown and Elliott. Bruce has also won one CNTC (1971) and represented Canada in world tournaments on four occasions, winning silver in the Senior Pairs in Montreal with Arno Hobart (2002) and bronze in the Open Teams Olympiad in Miami (1972).

#### 23. Ralph Cohen

How good was Ralph? Sami Kehela once said, "Sam Gold and Ralph Cohen played at least as well as did Murray and Kehela." Ralph played on a team with Murray-Kehela at the 1964 Olympiad where they

finished fourth overall. Later, after moving to the USA, where Ralph worked for the ACBL in various roles, Ralph would go on to win four NABCs and finish second twice. Ralph represented the USA at a few world championships, his best finish being a fourth in the 1994 Senior Teams, and fifth in the 1990 Rosenblum. Ralph, father of two other Cohens you may have heard about – Jordan and Billy – won the Lazard Sportsmanship Award in 2006.

#### 22. Billy Cohen

Billy was born a Canadian, but his family moved to the USA when he was about 12 years old. Billy stayed in the warmer climes where he has built up a stellar bridge career. He has one CNTC victory (1989) and five NABC wins, including the prestigious

Reisinger Board-a-Match Teams (1987). The team, which won by 5.5 boards, was comprised of Ron

Smith, Billy, Jaggy Shivdasani and Zia. Afterwards Zia famously remarked how wonderful bridge is for bringing people together because the team "had a black, a Jew, an Indian, and a Paki playing together." Billy also has nine NABC second-place finishes, including four in the Spingold.

#### 21. Nic L'Ecuyer

Nic grew up playing all kinds of card games with his parents, uncles, and grandmother. One day, he got the chance to replace an uncle at the bridge table, and that was that. Nic is a mainstay at the Canadian Nationals where he is a

contender every time. So far, he has six CNTC wins, perhaps the most exciting being when he partnered Kamel Fergani and teamed with D. Wolpert-Czyzowicz and Doug Fraser-Jeff Blond in 2000. Nic also has four NABC wins with three different partners, one NABC second, and a fifth place finish at the World Open Teams in Wroclaw in 2016. Before his grandmother died, Nic made a pledge to her that he would one day be part of Canada winning a world championship. No pressure, Nic, but I believe you will come through.

Be watching for the next installment of Canada's Top 52 in a future issue of the Daily Bulletin.

Note: Only ACBL members are eligible to play in NABC+ events. \$2 per person per session benefits the International Fund.

Players must also be current ACBL members to play in the Grand National Teams (Flights A, B and C), the 0-6000 and 0-2500 Mini-Spingold Knockouts, the 0-10,000 NABC Pairs, the 0-10,000 Mixed Swiss Teams, the Bruce LM-6000 Pairs, the Young 0-2500 Pairs and the Bean Red Ribbon Pairs. The entry fee is \$21 per player per session. For the team events, this means \$84 per team per session for teams of four, \$105 per team per session for teams of five, and \$126 per team per session for teams of six. (The GNT Flights A, B and C have no fee the first two days of the contest.)

Regional championships are \$20 per player per session for ACBL members, and \$25 for non-members. For multi-session team events of three sessions or more, the entry fee is \$80, \$100 or \$120 for teams of four, five or six, respectively. For team events of one or two sessions, the entry fee is \$80.

All other events are \$18 per player per session for ACBL members, \$23 for nonmembers.

#### **Slow Play**

Slow play, especially habitual slow play, is a violation of law and subject to penalty. When a pair has fallen behind, it is incumbent on them to make up the time lost as quickly as possible whether at fault or not. All players are expected to make a concerted effort to catch up when they have fallen behind, regardless of the reason for their lateness.

In the absence of compelling evidence to the contrary, the director should presume that a pair finishing a round late by more than two or three minutes on more than one occasion during a session is responsible for the lateness. There is a strong expectation that the director will penalize such a pair. The size of a penalty will tend to increase for subsequent instances of slow play and for chronic or egregious slow play.

While warnings typically will be given before a penalty is assessed, failure to do so in no way limits the director's authority to issue a penalty.

Players are expected to be aware, in a general sense, of time used and remaining in a segment in which they are playing regardless of whether a clock is in use or a time announcement has been made. An excuse of "no announcement" or "no clock immediately visible" will not be considered persuasive.

In consultation with the DIC of the tournament, the TD may require that a particular pair not play in a specified segment, not play against a specified pair or not play together as a pair. The foregoing is expected to be applied only due to egregious circumstances or to unduly repetitious offenders.

An appeal of an action taken by a TD with regard to time may be taken to the Director in Charge of the tournament, and no further. For NABC+ KO events, the TD is charged with the responsibility to ensure that each KO match segment finishes within the allotted time. While a time monitor may be employed, the lack of a monitor in no way limits the TD's authority to apply one or more of the remedies listed below.

The TD may choose to ignore an occasional minor late finish. The TD may remove one or more boards from a segment. The TD may award no score (when neither team is more at fault), an assigned score (when a result already exists at one table which the TD wishes to preserve) or an artificial score in IMPs. Every effort should be made to remove boards before they can be played at either table, but not having done so does not preclude removing one or more later.

#### Be Scent-sitive!

Some people have an extreme sensitivity to fragrances (colognes or perfumes). Many ACBL clubs, units and districts have adopted policies that prohibit players from wearing fragrances. The ACBL has not issued an official policy on the matter, preferring instead to appeal to the goodwill of its members to refrain from using fragrances.

Because duplicate bridge requires players to be in close proximity to each other, individuals who suffer from fragrance-related reactions cannot avoid those who are wearing them. Among the commonly reported symptoms are intense headaches (indeed, fragrances can frequently be a trigger for migraine sufferers) or breathing-related problems. For these individuals, the issue is much more serious than simply disliking a particular smell — it's a real health problem.

The ACBL asks everyone to give this issue serious consideration. If you're going to play in a club or a tournament, please don't wear cologne, perfume or scented lotions.

Unless otherwise noted: Three-flight open events are stratified as A/X (5000+/0-5000), B/C (1500-3000/0-1500) and Gold Rush (300-750/0-300).

Two-flight open events are stratified as A/B/C (3000+/1500-3000/0-1500) and Gold Rush (500-750/200-500/0-200) or as A/X/Y (5000+/4000-5000/0-4000) and B/C/D (1500-3000/750-1500/0-750) if there is no Gold Rush.

One-flight open events are stratified as A (3000+), B (750–3000) and C (0–750).

Stratification is based on averaging the masterpoints of a pair or team. Eligibility for limited events will be based on the point holding of the highest player, so no player with more than 3000 may play in B/C events nor the Bracketed B Teams, no player with more than 750 may play in Gold Rush events, and no player with more than 300 may play in 299er events.

BOLD, UPPER CASE = NABC+ events. UPPER CASE = NABC events.

#### \*\*International Fund

In NABC+ events, \$2 CDN (per person, per session) of each entry fee will be allocated to the ACBL International Fund. These funds are used to underwrite part of the expenses of ACBL players who participate in international competition.

## F.W. Thompson Anxiety Disorders Centre

The Frederick W. Thompson Anxiety Disorders Centre offers specific expertise for the treatment of obsessive-compulsive disorder (OCD) and related "spectrum" disorders, including hoarding, hair pulling (trichotillomania), skin picking and body dysmorphic disorders. To date, these have been "orphan" disorders, for which no other centre in Canada offers specialized care.

#### NABC Results by Email/Text

Want to be notified when results and the Daily Bulletins from the NABC are posted online? Want to see your results in the events you played in? ACBL Live does just that.

With the ACBL Live notification system, you will receive emails and/or text messages after each session with links that go directly to the information you're looking for. The email/text message will

contain your score for the session and a link to your results. (These results will also be available on your MyResults page at MyACBL.) Players will also receive a notification to indicate when the Daily Bulletin for that day is available.

This service is automatic for members unless they have specifically opted out. To receive text messages, go to MyACBL at acbl.org and select Update My Information to enter your email address and/or cell phone number.

Also at MyACBL, visit the Privacy Settings tab to make sure you've selected the Subscribe setting for General Email Communication and Cell Phone Text Communication to receive these notifications.
