Melander team wins Senior Swiss

The squad captained by Leonard Melander married a solid performance in the final sessions of the Truscott/U.S. Playing Card Senior Swiss Teams with a strong carryover from the qualifying round

to win the contest by the narrow margin of 0.9 victory points.

Melander, of the Detroit area, played with Mark Dahl of Richmond VA and teammates

Richard Oshlag and Mary Oshlag of Memphis TN. Their score was 125.6 VPs.

Throughout the second final session, the Melander team held off a challenge by the runners-up led by Stan Tulin. Tulin's roster was Marc Jacobus, Eddie Wold and Roger Bates, and their total was 124.7 VPs.

It was the first NABC title for all of the members of the winning team except for Melander, a retired internist, continued on page 9

Norwegian bridge star shocked by events at home

As he tunes into the world news channels on his hotel room television, Boye Brogeland views the reports from his homeland of Norway with a feeling that "I'm watching a movie. It's beyond belief."

Brogeland is one of several Norwegians who regularly attend the NABCs. What has him and the others transfixed is the shocking terror attacks in Oslo, the nation's capital, and on the island of Utoya, where on Friday a 32-year-old man

shot and killed nearly 70 people at a youth camp. Seven died in a bombing in Oslo.

"Everyone is affected by this," said Brogeland. "They can't believe this happened, especially in Norway."

Most police in the peaceful Scandinavian country, he said, don't even carry guns.

Brogeland said he was first told about the events – including the bombing of a government building in Oslo – by Roy Welland.

After getting in touch with his wife at their home in the small town of Flekkefjord, about 300 miles

from Oslo, Brogeland said learned that the tragedy

Smooth sailing for top squads in Spingold second round

There were few upsets in yesterday's secondround action in the Spingold Knockout Teams as all but three of the higher-seeded squads in each of Tuesday's matches advanced.

The highest-seeded team to depart in round two was the No. 24 squad captained by Joe Grue. Grue (Curtis Cheek, Ishmael Del' Monte, Daniel Korbel and Darren Wolpert) lost to the No. 41 seed led by Barry Rigal (David Caprera, Brady Richter, Joshua Parker and Bruce Rogoff) 135-92.

Jacob Morgan's 26-seeded squad was also eliminated, losing to the No. 39 seed captained by Uday Ivatury 163-117.

Wagar semis: Fireman-Hampton, Westheimer-Joel

The top four seeds in the Wagar Women's Knockout Teams won their respective quarterfinal matches Tuesday to advance to today's semifinal round. Phyllis Fireman's top-seeded crew dispatched Catherine D'Ovidio's team 174-115. Valerie Westheimer (No. 2 seed) defeated Sheri Winestock's team 181-71. The No. 3 squad led by Geeske Joel topped Sylvia Moss's team 133-111. Joyce Hampton (No. 4) beat the No. 5 seed led by Cheri Bjerkan153-94.

The semifinal pairings are Fireman vs. Hampton and Westheimer vs. Joel.

Mini-Spingolds down to sixteen, eight teams

The fields in the two Mini-Spingold Knockout teams were each reduced by half on Tuesday.

In the Mini-Spingold 0-5000, the 32 squads were reduced to 16, and the Mini-Spingold 0-1500 came down to eight, the quarterfinal round.

The 0-1500 event ends on Friday. The 0-5000 will conclude on Saturday.

Carmichael, Roman leading in Wernher

Tom Carmichael of Kennesaw GA and Jeff Roman of Alexandria VA will start play today in the Wernher Open Pairs with a slim lead as the event enters the two final sessions.

The leaders will start play with a carryover score of 176.95, just ahead of Donna and Dave Swarthout of Newberry MI. Their score is 169.39.

Right behind them are Robb Gordon, Sedona AZ, and Richard Margolis, Melbourne FL, with 164.70.

Youth NABC starts tomorrow

The fourth Youth NABC, for players 19 and younger, will start tomorrow at the Sheraton Centre Hotel. Play will be on the Mezzanine level.

JUST FOR NEW PLAYERS

Negative doubles By Barbara Seagram

In the world of old-fashioned Standard

American, if you were not playing negative doubles, in the auction 1 ♦ - 1 **♠** - Dbl, the double would have to be for penalty.

The opportunity to double the opponents for penalties at this

low a level comes up so seldom that the word "double" now has a different meaning in the world of modern bridge.

If you pull out the red card in the given auction, it's not for penalty – it's a "negative double."

Suppose you hold

♦432 **♥**A432 **♦**32 **♣**A432

and your partner opens 1 ♦. Your right-hand opponent overcalls 1 . Now what? If you don't play negative doubles, you must pass. You can't bid notrump, you can't raise partner with a doubleton diamond and you can't bid 2♥ with only four of them and only 8 high-card points.

If you play negative doubles, you have the perfect call. In the given auction, double tells partner that in most cases you have the two unbid suits – definitely hearts – and enough HCP to take action.

In essence, you are making a takeout double as responder. A normal takeout double occurs when an opponent opens the bidding. The negative double is used after *partner* has opened the bidding with one of a suit and the next player overcalls. That is the only time a negative double can occur.

The convention is called the negative double because it is not designed to penalize the opponents.

Without the negative double, many hands become difficult and even impossible to bid sensibly after the opposition interferes.

This is especially so because of the strict requirements for a two-level response of a new

You need 10 or more HCP (as the responder) to bid a new suit at the two level when partner has opened the bidding.

Here's another situation. You hold **A**A764 **∀**K932 **♦**432 **♣**84 in third seat. Partner opens 1 ♦ and the next player bids 2 . You were all set to respond 1 .but that is not possible after the overcall. You are too weak to respond at the two level, as this would show 10 or more HCP. If the negative double is not part of your convention card, you have to pass. To bid either of your majors would show at least five in the suit and at least 10 HCP.

Passing, however, might cause you and your partner to lose a good fit in a major suit. Playing negative doubles, you will say "double," and partner will bid again. She will know that you have the two unbid suits, and if she has one of those, she will bid it.

Therefore, you will see that when you make a negative double, you are bidding two suits instead of one, and you will make the opening bidder's life much easier.

The convention is especially useful when the opponents make a pre-emptive jump overcall, as in $1 \spadesuit - 2 \spadesuit$.

Suppose you hold

♦54 ♥KJ76 ♦986 **♣**AQ54 as responder in that auction.

You have enough high-card strength the enter the auction but your suits aren't long enough. Again, the negative double is the solution.

Consider this hand and the beauty of showing partner two four-card suits without even using any bidding space.

Here's another auction: 1♣ - 1♦. You hold **A**AQ73 ♥9875 ♦Q64 **♣**86

A negative double with this hand shows both majors.

Requirements for making a negative double

You need 6 or more HCP and usually both unbid suits. When the overcall is in a major and you have good support for the suit partner opened, you can make a negative double without both suits – so long as you have at least four in the unbid major. The higher the level at which the opponents bid, the more high-card points you need to make a negative double.

Rebids by the opening bidder

The opening bidder will pick one of the suits that you have shown by inference. She will bid this suit if she has four of them. If she does not, then she will bid notrump (with stoppers, of course) or she will simply rebid her own suit.

If she has 13-15 points, then she will bid the above as cheaply as possible.

If she has 16-18 points, then she can jump in one of the unbid suits.

If she has 19 or more HCP, she can bid game in the known 4-4 major fit or 3NT.

Trap pass

You can still punish the opponents for a foolhardy overcall as long as opener cooperates. Say you hold

♦AQ1087 **♥**7 **♦**876 **♣**AJ72.

Partner opens 1♦ and RHO bids 1♠. You simply pass it back to opener, who most likely is short in spades and is aware that you might be hoping for her to pick up the bidding with a double. If she does, you will pass and expect to exact a juicy penalty.

It is important to discuss this aspect of negative doubles with partner to be sure opener is aware of the expectations.

Inferences

When the bidding goes 1 - 1 - 1, opener will know partner has at least five spades. With only four, he would make a negative double. If the bidding starts 1♣ - 1♦, responder can bid a major suit with only four (double would show two four-card majors), bidding hearts first as though the overcall did not happen. Bidding 1 \(\bar{\pi} \), of course, would not deny four hearts because responder might be 5-4 in the two suits.

Bidding commentary: 4♣ is key card Blackwood for spades. 4NT would be a natural raise to 4NT holding four hearts and about 15-16 HCP. It's called having your cake and eating

it too. 4 showed two key cards without the queen. North was not interested in playing a grand slam missing the queen of trumps.

Lead commentary: As West, holding four trumps, it is normal to lead from your longest side suit unless holding a side-suit honor sequence.

Defensive commentary: As West, play low if South leads the A and a low spade.

Play commentary: As South you are in a great contract. In fact, you have nine top tricks outside of spades and need three spade tricks to make your contract. It is like playing 6NT as no heart ruff in dummy is needed.

What is the best play for three spade tricks? If the suit breaks 3-2, there is no problem.

However, 28% of the time it breaks 4-1 (more often for you and me). Can you make this contract if either opponent has four spades to the Q-10?

If East has four spades, it is easy. Just play the king and low to the jack, but that loses if West has four spades. The correct way to play spades, guarding against either opponent having four spades, is to cash the A and lead low to the 9 if West follows to the second spade. If it loses, spades have divided 3-2. If North shows out on the second

spade, rise with the king and lead low to the jack. You have made a safety play to insure your slam. Cheers!

Schoeffler had a fall on Friday and was taken to the hospital, but returned to the bridge table as soon as she could. IfBy Mark Horton

The second verse of Rudyard Kipling's immortal poem contains the lines:

If you can meet with triumph and disaster
And treat those two imposters just the same;
That was certainly the case on two deals from
one of the Swiss teams:

Triumph **∧** A 7 4 Dlr: East Vul: N-S **♥** 97642 ♦ A 10 7 4 **.** 7 ♠ Q 9 8 3 2 **∧** K 6 **♥** K 5 **♥** J83 **♦** 652 ♦ KJ8 ♣ KJ853 **♣** 9 6 2 **▲** J 10 5 **♥** A Q 10 ♦ Q93 ♣ A Q 10 4 West North East South 1. 1NT Pass 2♦ Pass 2♥ Pass 3♦ **Pass** 3NT All Pass

With a flat hand South decided that it might be easier to score nine tricks than 10. West led the ♠3 and East took the king and returned the 6, covered by the jack, queen and ace. Declarer played a heart to the queen, and although that lost to the king it confirmed the location of the missing high cards. Declarer won the spade return and played two rounds of hearts. East won and played a club, but declarer put in the 10 and ran the ♠Q. East could win, but whichever minor he played would surrender the rest of the tricks.

That proved to be a game swing as at the other table South could not make $4 \checkmark$ when West led a spade at trick one, as when West got in with the \checkmark K he was able to give his partner a spade ruff.

Disaster

South was feeling good when the next board settled on the table. He picked up:

His partner opened $2 \clubsuit$, and when the next player overcalled $2 \spadesuit$ he bid $3 \clubsuit$. His partner bid $3 \heartsuit$ and he raised to $4 \heartsuit$.

That proved to be a splendid, but tragically insufficiently high contract, as partner's hand was:

♣A6 ◆AK 10 9 7 3 ◆A6 ♣AQ8

If you can fill the unforgiving minute

With sixty seconds' worth of distance run —

Yours is the Earth and everything that's in it,

And - which is more - you'll be a Man my son!

Convention card reminder

Each player is required to have a convention card filled out legibly and on the table throughout a session. Both cards of a partnership must be identical and include the first and last names of each member of the partnership.

If a director determines that neither player has a substantially completed card, the partnership may play only the Standard American Yellow Card and may use only standard carding. This restriction may be lifted only at the beginning of a subsequent round after convention cards have been properly prepared and approved by the director. Further, the partnership will receive a 1/6-board matchpoint penalty for each board played, commencing with the next round and continuing until the restriction is lifted. In IMP team games, penalties shall be at the discretion of the director.

If the director determines the partnership has at least one substantially completed convention card but has not fully complied with ACBL regulations, the director may give warnings or assign such penalties as he deems to be appropriate under the circumstances.

The objective of these warnings and penalties is the encouragement of full compliance with ACBL regulations.

Swiss miss By Barry Rigal

From the Sunday Swiss Teams, here's a deal where declarer ignored the warning signals and regretted it.

You ruff the low diamond opening lead, cross to the A and finesse in trumps. Now is it hard to see anything better than ruffing a club to dummy to repeat the heart finesse. West pitches a low club on the second round of hearts. What now?

It looks natural to draw trumps and play the A and another spade, but that fails whenever West has the KQ because you get tapped out. Instead, try cashing the K and Q and leading a low spade. Here's the full deal:

When West wins the AQ, his choice is to give a ruff-sluff with a diamond (declarer ruffs in dummy and pitches a spade from hand, then leads a spade to the ace) or he plays a spade for his partner to ruff, and now East has to give the ruff-sluff.

Electronic Device Policy

The electronic device policy is revised as follows:

- 1. For all NABC+ rated events at NABCs: Electronic devices, including but not limited to, phones, cameras, PDAs, and others capable of sending or receiving electronic communication are excluded from the playing areas during any session of play. This does not apply to health-related equipment.
- 2. For all events at an NABC other than a NABC+ rated event: Except for health-related equipment, or by permission of the Director-in-Charge of the tournament, cell phones, audible pagers or similar equipment may not be operated or operable in any manner in the playing area during a session of play. Any such equipment must not be visible during the session. Sponsoring organizations of other ACBL-sanctioned events are encouraged to adopt a similar policy.
- 3. These restrictions in numbers 1 and 2 above apply to all pairs, team members, captains, coaches, play recorders (except those designated by ACBL) and kibitzers and are in force throughout any actual playing session or segment of play.
- 4. A violation of any of the restrictions in numbers 1 and 2 above will result in a disciplinary penalty of one full board (12 IMPs at that form of scoring) for the first offense. A second offense will result in disqualification from the event for the pair/team. Kibitzers violating this policy will be removed from the playing area for the remainder of the session.

Cain and Abel redux By Barry Rigal

When my opponents make nice plays against me, my natural reaction is to claim credit for the play myself, of course. But credit for the following is certainly due to the defenders on this deal – Ulf Nilssen (West) and Magnus Ericksson.

2NT was lebensohl (forcing $3 \clubsuit$) and $3 \spadesuit$ was Stayman with a spade stopper.

I won the spade lead with the king as East followed with the jack. I passed the ♥J to the king, and Nilsson, after much thought, returned the ♣J to the ace.

This play made it clear that either the ◆K was wrong or West had significantly misdefended. Nevertheless, I could think of nothing to do but cash the ♥A and ♥Q as all followed, then lead a diamond to dummy's queen and East's king. Back came a club, and now knew spades were 7-1 and I had seen all of West's 13 cards.

I ducked the club and had reached this position:

Nilssen resisted the temptation to cash the ♠A and play another spade. Had he done so, East would have been caught in a minor-suit squeeze after the ♣K and ♥J were cashed.

Instead, Nilssen exited with a spade, and now the count had not been rectified for the squeeze. Down one and 12 IMPs to the "bad guys" (aka deserving opponents).

Hospitality

Each night after the evening session, the Toronto Hospitality Committee will be offer food to bridge players. Despite having two hotels for this NABC, the committee has tried to offer a common food item at each hotel on each night. However, there will be an exception on Wednesday, July 27.

Players at the Royal York will be treated to waffles and maple syrup on those dates, while those at the Sheraton will be given a ticket for Tim Hortons. This coupon is good for a box of Timbits immediately after the game at the Tim Hortons on Queen Street at the east exit of the hotel. (These coupons are not good for a later date; they are only valid after the game.) There will be volunteers, wearing hats, to show you the way!

Tim Hortons is one of those iconic Canadian places that exist on street corners across this country. There are some of these restaurants in the U.S., one in Kandahar, Afghanistan, and even one in Dublin, Ireland. We Canadians love our "Timmies". Hopefully, you will, too!

Everyone in the group, says Jabbour, had talent. "These guys were really good players in their youth. Gene would have been a superstar – and he *was* in the world of medical research."

For a period in the Fifties, all but Rumelhart – who got involved a bit later – were going to tournaments and making their presence felt. Some of the good players of the time, including world champion Cliff Bishop and world champ to be Jacqui Mitchell, played on teams with them.

On one occasion, they went to an NABC – Jabbour remembers that it was in Dallas – and played in the Spingold when the format was total points, not IMPs. They faced Canada's best team at the time, one including the legendary Percy Sheardown, and beat them. They played another good team on the next round and won by 500 points.

"We had one Life Master on the team," says Jabbour. "The rest of us had 50 masterpoints."

They finally lost – to the John Crawford team – but they were happy with their showing.

"Like any cocky kids," Jabbour says, "we thought we were better. We had a good time and we had a good team."

Davidson remembers that the group spent a lot of time at his place – the bottom floor of a house. The rest of the bunch lived in the dorms. With a research fellowship, Davidson recalls, "I was the only one who actually had an income." It was the grand sum of \$5000 a year.

There were all-night bridge games and sleeping on the floor at Davidson's house.

Inevitably, the group split up as they pursued careers and had families.

Davidson went on to become a professor at Georgetown University in Washington DC, and he now lives in Boynton Beach FL, not far from Jabbour's home in Boca Raton FL.

Lavine, who now lives in New York City, became an insurance company executive.

Burger, of Bloomfield Hills MI, and Shane, of White Plains NY, earned law degrees. Rumelhart, the only one still living in Ann Arbor, made his living in software development. Jabbour quit bridge for a time to work in the theater, but returned to the game and had enviable success in high-level competition.

Through more than five decades, says
Davidson, "we've been friends, and we've never
lost touch. We are comfortable with each other. It's
like an extended family."

When Jabbour married Sharon Cleary 17 years ago, he introduced Rumelhart to a friend, Judy Dow, at the wedding. Fifty-three weeks later, Rumelhart and Dow were married. "He owes me," says Jabbour.

All agreed that traveling to Toronto for the reunion was a good move. Says Davidson, "It's been fun to be here with the guys."

Fat lady denied By Mark Horton

It ain't over till (or until) the fat lady sings is a colloquialism, essentially meaning that one should not assume the outcome of some activity (e.g.: a sports game) until it has actually finished, similar to a common proverb. It is a perception of Grand Opera, typically overweight sopranos, and perhaps Brunnhilde's final aria from Die Walkure or Gotterdammerung.

After a low-scoring third quarter, Spector led Robinson 100-98 IMPs in the final of the GNT

East cashed the top diamonds (a heart switch at trick two would have simplified the defense) and then fatally switched to a heart (a trump leaves declarer with too much to do). Declarer put up the ace, came hand with a trump, cashed the \(\int \], pitching a heart, ruffed a heart and came to hand with a trump (now you see why a trump is the

winning defense) and could claim plus 650. Closed Room

If the red suits had misbehaved, this save might have been a bloody affair, but on this friendly lie declarer was in reasonable shape. South led the *K and declarer ruffed, played a heart to the king then played the queens. South won and switched to the ♠ 8, North winning with the ace. A club now would ensure two down, but North played a trump and declarer could win, draw a second round and then play on hearts for one down, minus 100 and 11

Declarer took eight tricks and recouped the 11 IMPs that had been lost on the preceding deal.

Over the next 10 boards, Robinson picked up bits and pieces, and with just three deals to play the team led 126-112. The fat lady was in full flow – but then she got a frog in her throat:

dominated television from the beginning. "There was nothing else on," he said.

Brogeland said Norway is attractive to immigrants because of the very good social system, but it's not easy to take up residence there. "If you are allowed to stay, you get a lot of support from the state."

The increasing number of immigrants, Brogeland said, has caused some resentment among native Norwegians, but the terror attack last week was completely unexpected.

"No one would ever have thought this could happen," he said.

The right order By Barry Rigal

Sometimes it takes skill and sophistication to play a squeeze. On other occasions, all it requires is to cash winners in the right order. This deal from the first round of the Spingold Knockout Teams falls into the second category.

Against 3NT, West led a heart to East's ace, and East shifted to a club to the ace and a club return. I won the club in hand and tried a spade to the king, won by East. That player cleared the clubs. I then cashed the •K. This was the ending:

On the \mathbf{Q} , I pitched the $\mathbf{A}9$ from dummy, catching East in a triple squeeze. If she pitches the $\mathbf{A}9$, it is easy to set up the diamonds, but a spade discard was no better. I could then cross to the $\mathbf{A}Q$ and return to the \mathbf{A} 0 cash the good $\mathbf{A}8$.

A Teacher Accreditation Program (TAP) course was held at the Toronto NABC last weekend and attracted 42 participants. The course is designed to assist those interested in becoming successful teachers. Among the attendees were Gloria Wilkinson of Mississauga ON, TAP trainer Carol Mathews of Ridge NY, Robin Hart of North Vancouver BC and Sheila Hodgkinson of Mississauga ON.

North said that she thought that West Alerted 2NT. The other three players said that West made "a sound," but that it was not an Alert.

Contract: 3NT by West

Α

Table result: Making three, E-W plus 400. **Director ruling:** 3NT by West, making three, E-W plus 400

Committee ruling: 3NT by West, making three, E-W plus 400

The Facts: North-South alleged that East took advantage of Unauthorized Information provided by partner's sound after his 2NT call. North-South argued that 3♦ was a logical alternative to bidding 3NT.

The Ruling: The Director decided that 3♣ call was sufficiently unusual in and of itself to suggest that the auction had gone off track. Therefore, East was not in possession of unauthorized information and not in violation of Law 16B. As a result, the Director ruled that the result on the board stands

pursuant to Law 16A.1.(a).

The Appeal: North-South appealed the Director's ruling and all four players attended the hearing

Appealing Side: North-South said that West either grunted or Alerted 3 . North-South argued that East-West should treat West's 3 . as pick a minor at the three level and that East should pass or bid 3 . both of which would be logical alternatives to bidding 3NT.

Non-Appealing Side: East-West play 1NT-2NT as a transfer to 3♣ for various hands. West could not recall whether they were also playing that on this auction. East argued that pass is not a logical alternative to 3NT at matchpoints. East-West explained that in their system, they play two-way checkback and they do not bypass 1♠ with a four-card spade suit. They also explained that they treat 4-5 in the minors by opening 1♣ or 1♠ depending on suit quality and rebidding in a minor, not 1NT.

The Decision: The Committee found that there was not a break in tempo of any significance before 3. Before the opening lead, North-South had sufficient information to know that 2NT was intended as natural, so they were not damaged in the defense. The Committee decided that there was unauthorized information, either from a grunt by West or an actual alert. However, the Committee believed that with East-West's actual system, 3. was an impossible bid and that the bid itself was authorized information which would force East to bid 3♦ or 3NT. If East had bid 3♦, West would automatically carry on to 3NT knowing that East must have meant 2NT as invitational. Accordingly, the Committee felt that since East-West would always reach 3NT, the table result stands.

The Committee found that the appeal had substantial merit.

The Committee: Richard Popper (Chairman), Gene Kales, Ellen Kent, Barry Rigal, and Richard Budd.

Beaver Tales

In the late 1600s, paper money came to be used in "New France" in the form of playing cards. (I wonder if they played transfers?). The French treasury needed to pay its soldiers on this side of the ocean and wrote what was owed to each soldier on the back of a playing card. The card needed to be turned horizontal to accommodate the signature of the paymaster. The soldier was paid when the ships arrived from France carrying gold.

The green dye used on dollar bills was invented in Montreal and used on one side of the Canadian \$1 bills. The Americans decided to use the dye on both sides, ergo, the "greenback."

The Insider

If you recently took the shuttle or, for any other reason, entered or exited the Royal York at the York Street entrance, you must have seen the movie lights mounted above the door. Or if you were near the Imperial Ballroom, you must have seen the tuxedoed men and gowned ladies, or all the movie trucks lined up on York. In case you were wondering, there is a film crew here at the Royal York. They are filming an ABC mini-series. The film, which will air over eight nights during the November sweeps, is being produced by Ron Howard and seven of his friends — an Opie-8 Production. Just as "Roots" became an ABC TV classic, all of the ACBL staff hopes that "Supreme Command — the Man, his Life" — will become the three-DVD boxed-set hit of the upcoming holiday season. Buy one for all your family and friends. Soon to be available for your iPad, too.

Sol and Doug have put together an incredible team of directors for the Toronto NABC. They have brought in directors from all over Canada and the States. They have handled the challenges of a two playing-site tournament with professionalism and expertise. They have put together directing teams for 30-plus events on some days. Their teams have sold entries in two different currencies. The teams have gotten the games starting on time, kept them moving on schedule, have taken lots of calls at the tables, and posted results in a timely fashion. When you look at all the responsibilities the TDs have and how well they have executed their tasks, it is truly amazing. The ACBL has the best systems in place, they have the best directors and run the best tournaments. We may not have all the technological equipment in place, but they surely do run good events. The Insider thanks them all.

"Keep him" is way ahead of "dump him" in early poll reports from a single precinct. Today the poll remains open at the Sheraton and an additional poll will open at the Royal York. The Insider is shocked with the lead "Keep him" has at this point, but is even more surprised at the confluence of those who like polls with those who also like the Insider. If "Keep him" maintains the lead, we'll report the results here tomorrow. If "Dump him" mounts a comeback, you will only know the poll results by the leaner, more bridge-respectful Daily Bulletin of tomorrow. Vote early, vote often. Boss Baum plays bridge! AMG answers ridiculous questions! The Bulletin Boys send the files to the printer later each night but the finished product keeps arriving at the hotels by 8 a.m! The Insider, without fear of censorship, is able to report things like what happened to well known bridge player

Wernher Open Pairs

The Wernher Trophy

The Wernher Trophy was donated in 1934 by Sir Derrick J. Wernher and presented to the winners of the National Men's Pairs Championship.

The event was contested at the Summer NABC until 1962. It moved to the Spring NABC in 1963 where it remained for 40 years. In 2004 it returned to the Summer NABC lineup. From 1969 through 1971, it was contested as a three-session championship.

In 1992 the event became Open Pairs II, a four-session event which consists of two qualifying rounds and two finals rounds.

Wernher (1889-1947) was a resident of London, England and Deal NJ. A leading personality in American bridge in the Thirties, Wernher was president of the American Bridge League in 1933, chairman of its Master Plan committee and a member of the board of directors of the American Whist League,

Wernher placed second in the Asbury Challenge Teams (now the Spingold Knockout Teams) in 1936 and won the Reisinger (played in conjunction with the New York regional) in 1930.

West lea	de the A A	nd continue	e with a low

West leads the A and continues with a low club. What is your plan?

Brad Boyle of Calgary AB reported this deal, and he said that at his table, West started with the ♣A, switching to the ♠Q at trick two. He had no difficulty making 12 tricks for plus 1370.

At the other table, West also started with the A, but he continued with a club at trick two, presenting declarer with an unhelpful ruff-sluff. The expert South player discarded a spade from dummy and ruffed in hand. Unfavorable splits in the red suits left him a trick short, although on a doubledummy basis he could still have made the contract.

An easier route to 12 tricks is to discard one of dummy's heart honors as you ruff in hand. Then play a heart to the remaining honor, cash the A, ruff a spade, ruff a low heart with dummy's 8, then play a trump to hand. When both opponents follow, you know trumps are no worse than 3-1, so you ruff another heart high in dummy and return to hand by overtaking dummy's last trump. You cash the other trump and claim with all good hearts (playing the queen first, of course).

The full deal:

Declarer can still succeed after pitching a spade from dummy at trick one, but he would need X-ray vision to play it just right: Ruff in hand, play a heart to dummy, cash the A and ruff a spade with the ace or king, play a diamond to dummy, then play the \(\blacktriangle 9\), planning to discard if East doesn't cover. This line requires you to know that trumps are 3-1 and that West has none left. Yikes!

The plus 1370 at one table and plus 100 at the other was good for 16 IMPs to Boyle's team, but it was not enough for them to win. Boyle was playing with David Caplan of Toronto. David Turner of Toronto was the fiendish defender at the other table who made life difficult for declarer. His partner was Roy Hughes, also of Toronto.

Master Point Press Day for

Master Point Press is our "day" sponsor. Owners Ray and Linda Lee are among our biggest supporters. As bridge players, writers and promoters, they have helped the careers of several Canadian writers.

Master Point Press provides the books available as registration gifts and prizes for our Intermediate and Newcomer players. Without the generosity of these amazing people, we could never have afforded such tremendous gifts for our newer bridge players.

Thank you Ray and Linda and Master Point Press!

Chuck Arthur

Chuck is a retired computer programmer, a very good bridge player, and a friend to all.

Chuck wrote the web external pairs movements

NORTH-SOUTH

Today's Sponsors

for odd-numbered table movements. Web movements have always been available for even numbers of tables, but were rarely used until dealing machines became widely available. (Webs require multiple sets of identical cards.) Web movements ensure that all players in any game play all the same boards - so that scoring is as accurate, fair and equitable as possible.

With Chuck's help, the ACBL has included these movements into the newest release of ACBL score. They are now there for everyone to use.

Chuck is a proud father and grandfather. His friends wanted to surprise him with a game named especially for him!

Len Besler

Len Besler's Bracketed Flight B Daylight Round-Robin Teams is sponsored by a gentleman of the first caliber.

TUESDAY AFTERNOON SIDE GAME

SECTIONS QQ RR GG

In his career days, Len was a smart businessman, but one who had great compassion for those who worked for him.Len is a quiet and thoughtful man, who has a wonderful calming influence on those around him. Such an excellent attribute for someone playing bridge!

Bruce Reid

Bruce is the CFO of the Planning Team for this year's Summer NABC. He is also a calm and steady presence at all meetings. Thanks to Bruce for all of his efforts and hours committed to this endeavour.

Carol Bongard

Carol is the President of Unit 166, but more important, for this tournament, the Chair of the Youth NABC. As a former vice principal with a strong commitment to young people and the learning process, it was impossible for Carol to say no to the challenge of the YNABC. Yes!
